Bob—

Steve is attending a meeting on Friday at 1:00 with Sarah Bittelman, Jim Jones, et al re Worker Protection and Certification and Training Rulemaking Activities. Steve needs to get a one pager on C&T. Apparently, there was a recent paper already done on worker protection which will suffice (I don't have a copy but if you could forward one to Debby Sisco, along with the one pager on C&T, that will be appreciated). Thanks
